

Associate of Science in Physical Therapist Assistant - 2153

Career Pathway: [Health Sciences](#)

Location(s): General education courses are offered at [all BC locations](#). [Program specific courses are offered at the North Campus in Coconut Creek, FL](#). The expansion program currently at [Florida SouthWestern State College \(FSW\) Lee Campus in Ft. Myers, FL](#), will not be admitting any further cohorts, and the expansion program will end in **May of 2020**.

Program Entrance Requirements: This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted to the program each year. Please click [here](#) for admissions requirements.

Program Description: The Physical Therapist Assistant Associate of Science program is a limited access program which is delivered to students at Broward College (BC) and Florida SouthWestern (FSW) State College via distance learning technology (**The FSW program is ending in May 2020**). Lectures are broadcast in real time so that all sites participate in lecture classes together. The individual sites manage lab sessions. The clinical education component of the program is managed by the Academic Coordinator of Clinical Education at the Broward site and a Clinical Liaison at the FSW site. The program provides the student with the opportunity to develop technical skills relative to physical therapy through planned clinical, classroom, and laboratory experiences. The graduate will be prepared to provide a variety of services under the direction and guidance of a supervising physical therapist. Visit program's [website](#) for additional information.

Additional Program Information: The program is a full-time day program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). A licensing examination is required upon completion of the two-year program and the Physical Therapist Assistant shall be eligible for an appropriate membership category in the American Physical Therapy Association.

In order to successfully progress through the Physical Therapist Assistant program, students must meet all affective, cognitive, and psychomotor objectives, achieve a grade of "C" or above in all program courses, a grade of "S" in all clinical practicums, and maintain a minimum GPA of 2.0 or higher.
