Criminal Background Check, Drug Screening, and Physical Examination Requirements (completed after acceptance)

Criminal Background Check and Drug Screening

Students selected for admission to a Health Science program are subject to a criminal background check and drug screening prior to the start of the program. Participation and placement may be denied at a clinical agency based on the background or drug screening results and/or the clinical agency's pre-employment screening policy.

Prior to admission, each student is required to successfully complete a drug screening. Please be advised that certain over-the-counter supplements and alternative medicinal products containing CBD, THC, Cannabinoid, and Cannabinoid Oil may trigger a positive result and consequently the student will be unable to be admitted to the Health Science program. A second drug test of a different sample is not allowed per Broward College Admissions Procedure A6Hx2-5.01. The links are provided below.

An unsatisfactory Level II FBI background check and/or drug screen may delay the admission process and lead to possible ineligibility for admission into a Health Science program.

Information regarding where to complete the background checks and drug screenings will be provided upon acceptance into a Health Science Program.

Health Examination

A Medical History and Physical Health Form must be completed at the time specified by the program. Final acceptance or continuation in a program will be contingent upon the results of the physical examination submitted prior to attending the first clinical rotation and then repeated in the second year of the program. A student may not enroll in a clinical course unless the Health Form has been submitted and then reviewed by the program for completion of all listed requirements

A COMPLETE, SUPPLEMENTAL, LIMITED ACCESS APPLICATION MUST BE SUBMITTED FOR CONSIDERATION INTO ANY HEALTH SCIENCE PROGRAM
Application is available on the Health Science Admissions homepage <http://www.broward.edu/admissions/Pages/Health-Sciences-Admissions.aspx>
