**TERM APPLYING FOR:** FALL 2024 or SPRING 2025

I \_\_\_\_\_ understand that my acceptance  
(Full Name (print) and student ID#) into the TAP program is based on the following conditions:

\_\_\_\_ I am either completing my associate in arts degree (Potential Term Graduate) or have completed an AA Degree and am applying to start when I expect to complete my AA degree (based on the selection above).

\_\_\_\_ I must register for exam preparation workshops, bootcamps, one-on-one sessions, and online study modules. I understand failure to use these resources with fidelity may result in withdrawal from the TAP program. Complete required exams will result in a delay of program progression and/or graduation.

\_\_\_\_ I must register and pass all required FTCE exams (GKE, Subject area and Professional exam) to graduate from the TEP Teacher Apprenticeship Program. Failure to complete required exams will result in a delay of program progression and/or graduation; students are also required to complete the SAE exam that corresponds to their program of study.

\_\_\_\_ I understand that I am expected to co-teach with an assigned teacher mentor for 2 years and follow Broward County Public Schools district guidelines.

\_\_\_\_ I understand that I must apply to the Florida Department of Education for an Apprenticeship Certificate.

\_\_\_\_ I understand I must complete EDF1005 and any pre-requisite courses prior to graduation. All degree audit requirements must be met prior to graduation, this includes lower division courses not covered by grant funds.
