Testing Center Knowledge and Procedures

The Institute of Public Safety (IPS) Testing Center administers examinations for applicants pursuing careers in Law Enforcement, Corrections and Police Service Aide positions in cooperation with the Broward County Chiefs of Police Association. We offer three tests: Physical Agility Test (PAT), Swim Test and CJBAT.

1. All tests are by APPOINTMENT ONLY. You must create an account, schedule, and pay for tests on-line. **NO TANK TOPS or MUSCLE SHIRTS PERMITTED for PHYSICAL AGILITY TEST!!!**
2. Applicants without appropriate documentation **WILL NOT** be admitted to the testing facility.
3. Applicants must provide a COPY of the Medical Clearance Form for each test and each attempt.

We keep the form for our records and do not give it back.

- IPS Physician's Medical Clearance Form (10/7/2022) is required and must be signed and dated by any MD, DO or by an ARNP, PA, or PA-C. Chiropractors are not accepted.
 - FDLE 75 and 75B forms are no longer accepted.
 - The Physician's Medical Clearance Form is valid for 6 months.
4. The following items are not permitted in the **CJBAT**:
 - Cellphone or other electronic devices, purses, backpacks, any type of bags, notebooks, binders, or folders are not allowed in the Testing Center
 - Failure to adhere to these rules will result in disqualification.
 5. Arrive 15-20 minutes early for check-in. You must have your ID and Medical Clearance Form physically present at check-in. **You will not be allowed to test without your Medical Clearance Form and ID.**
 - **Physical Agility Test:** Proceed directly to the obstacle course. We will have signs up reiterating this as well. You can park your car along the fence line of the course if there are not traffic cones blocking the entrance. If there are traffic cones up, please do not move them. **Do not park in a spot designated for faculty/staff.**
 - **CJBAT:** All testing applicants must report to Building 22, Room 106 to sign in for the CJBAT test 15-30 minutes prior to appointment time. Please have your two pre-approved forms of ID ready at the time of check-in.
 - **Swim Test:** Proceed directly to the front desk at the Pine Island Aquatic Center. Once you are checked-in with them, head to the patio covering outside with your Medical Clearance Form and ID. We will check you in there.

The **PAT** and the **SWIM** test results are in your IPS Profile, it is the same link you used to sign up for the **PAT** and the **SWIM**. Please do not sign into register blast, as that is the payment site.

You will sign in where it says "**REGISTER/LOG IN for the PAT/SWIM TEST**", and then select the "**my results**" tab.

The site is NOT mobile friendly, please use a tablet, laptop, etc.

The screenshot shows a web browser window with the URL `start.broward.edu/IPSApplicants/default.aspx`. The header features the Broward College logo and the text "Institute of Public Safety Criminal Justice Testing Center". Below the header is a "Sign In" section with a user icon, the text "Sign In", and two input fields: "Email Address" (containing `dwarick@broward.edu`) and "Password" (containing six dots). There are two buttons: a blue "Sign in" button and a dark grey "Create Account" button. A link for "Forgot My Password" is also present. At the bottom, it says "© 2023 Broward College".

The screenshot shows the user dashboard after logging in. The URL is `start.broward.edu/IPSApplicants/secured/`. The header is the same as the previous screenshot. Below the header is a navigation bar with buttons for "Schedule a Test", "My Schedule", "My History", "My Results" (which is circled in red), and "Log Out" with a user icon. Below the navigation bar is a section titled "Schedule a Test" with a yellow warning box: "The IPS Physician's form is required for the BMST/SWIM and must be filled out completely by a licensed physician (No Chiropractors). If you fail to bring this form, you will not be permitted to test." Below the warning box is a form with the text "Select a Month and Year to filter tests by then click Search". There are two dropdown menus: "June" and "2023", and a blue "Search" button.

Criminal Justice Basic Abilities Test (CJBAT)

The CJBAT, developed by Industrial/Organizational Solutions (IOS), Inc., measures the defined “minimum competencies” in three separately-timed sections as follows: Section I - behavioral attributes; Section II - memorization; and Section III – written comprehension, written expression, deductive reasoning, and inductive reasoning. In total, there are 97 questions on the CJBAT. You will have 1 ½ hours (90 minutes) to complete the exam.

Pearson Vue Policies

A. Registration

“Please VERIFY that you have created your web account with your LEGAL name as it appears on your government-issued ID and that your personal information is CORRECT. Contact Pearson VUE immediately to correct the spelling of your name or update your personal information if you notice any errors. It is very important that this information is correct, as it will appear as it was entered on the documentation provided to you after you have completed the exam. Candidates will need to create a Pearson VUE account before being able to register for an exam. The unique client candidate ID will be a nine alpha-numeric field. The prefix will be BAT followed by 6 numeric digits.”

- All payments for exam fees are handled through Pearson VUE.
- Candidates need to request accommodations from Pearson VUE, as noted in the "Accommodations" section. The Pearson VUE Accommodations Team will schedule the appointments and make the necessary arrangements.

All FDLE (BAT) exams must be scheduled at least 24 hours in advance.

B. Rescheduling and Cancellations

FDLE (BAT) candidates must reschedule and cancel exam appointments at least 24 hours before the appointment through the candidate website or the call center. Appointments must be rescheduled within the authorized exam delivery period. All registrations with accommodations must be rescheduled or canceled through the call center.

C. Retake Requirements

Candidates can retake an exam only three times per year. They must wait until the following year for another retake if they have retaken the exam three times within the year.

Pearson Vue has the following guides available for the CJBAT

Activity Two – Push Up: Applicant will complete 10 push-ups using an electronic push-up counter. Applicant must lower and raise their body completely. Hands must be a minimum of shoulder width apart (no triceps push-ups). No part of the applicants body will touch the ground except for their hands and feet. It is not timed.

Activity Three – Sit Up: Applicant will complete 10 sit-ups; starting flat on their back with knees in a bent position, arms interlocked at wrist and hands rested on each shoulder. Applicant will then raise torso into a sitting position with elbow reaching across the plane of the knee. It is not timed.

Activity Four – Half Mile Run: Applicant will run a half-mile, on a level paved track, in (4:30), 4 minutes and 30 seconds or less.

Activity Five – Obstacle Course: In two minutes or less, complete the following activities:

Station 1 - High Wall: This station consists of a vertical masonry wall, rising to a height of 5 feet above the running surface.

Station 2 – Ladder Platform Ramp: This station consists of a stationary vertical ladder with six rungs and a top crossbar rising 7 1/2 feet above the running surface, a horizontal platform, and a downward slanting ramp.

Station 3 – Fixed Railing: This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course.

Station 4 – Chain Link Fence: This station consists of a panel of woven fence in a tubular steel frame, rising approximately five feet above the running surface.

Station 5 – Window: This station consists of a concrete wall, with a window opening approximately three feet, eight inches above the running surface.

Station 6 - Door: This station consists of a masonry wall with a standard width door which is hinged on the left and opens toward the previous station. The door must be returned to the closed position after passage for security, safety, or other reasons.

Station 7 – Fixed Railing: This station consists of a metal railing approximately three feet tall, at a right angle to the direction of the course.

Station 8 - Maze: This station consists of a set of parallel wooden rails controlling direction of travel and requiring two 180-degree changes in direction of travel.

Station 9 - Tunnel: This station consists of a concrete pipe, 8 1/2 feet long, with an inside diameter of three feet.

Station 10 - Overhead Ladder: This station consists of a horizontal overhead ladder, approximately 7 1/2 feet in height, 18 1/2 feet in length, with 12 rungs.

Station 11 - Rope Grid: This station consists of an area 30 feet long, divided by nylon rope to create 12 individual compartments on each side of a center dividing line.

Station 12 - Log: This station consists of a log, 40 feet in length, in the center of the running surface, lying parallel to the direction of travel.

Station 13 - Parallel Bars: This station consists of two parallel steel bars, seven feet in length, two feet apart, and mounted approximately 4 1/2 feet above the running surface.

Station 14 - Low Wall: This station consists of a vertical masonry wall, rising approximately four feet in height above the running surface.

Station 15 - Pole Run: This station consists of an elongated loop with a narrow turf infield. At the ends of the infield are two cones approximately 36 feet apart.
